

Surf Fisha 470

The Surf fisha 470 is the kayak in our range designed for the best wave riding and surfability hence the name the Surf fisha. Based on our old BFS kayak the latest upgrade was aimed at improving the overall design and build of the kayak. We took the time to evaluate the needs of an excellent wave riding kayak and built what we deem to be the best all round wave and surf riding kayak, without losing too much performance on the fishing and paddling side.

The Surf Fisha 470 incorporates the latest hi tech materials with a construction very similar to our Pro fisha range. The kayak is built using specialised core materials and epoxy based resin systems. The process of resin infusion is used to keep the build consistent not only in quality but also in finished weight. The focus on this kayak was also to give it maximum stability within its design so the position on the widest point of the kayak and the depth of the seat and footwells make it very comfortable with loads of stability.

Best Feature:	Surf Ability & Stability
Conditions:	Freshwater and Open Ocean
Length:	4.730m
Width:	0.660m
Weight:	24kgs
Max Angler Weight:	130kgs
Capacity:	185kgs

- Stability:** ★★★★★★★★★★☆☆
- Speed:** ★★★★★★★★★★☆☆
- Glide:** ★★★★★★★★★★☆☆
- Manoeuvrability:** ★★★★★★★★★★☆☆
- Surf Ability:** ★★★★★★★★★★☆☆
